INDEPENDENT SCHOOL DISTRICT #2580

REQUEST FOR SOCIAL SECURITY NUMBER

Complete, sign and return to East Central Elementary School

Our school district is required to participate in the State of Minnesota computer reporting system. This system will provide data on each student to calculate our portion of state education dollars. Data from the system will also be totaled to provide counts of students for state and federal reporting requirements. The new system will use student Social Security numbers as a means of accurately recording student data. We request that you fill out this form by **printing** all requested information. Please sign and return the form whether or not you provide the Social Security number so that we can meet state information needs.
