**Your future.
Our focus.**

This is a request for a “blanket permission slip” for field trips within a five-mile radius of the school. Examples of this would be Robinson Park, places of business, the fire department, Banning State Park, and so forth.

For longer trips; such as going to Duluth, the Twin Cities, neighboring towns or the Audubon Center, we will still send information to you and request a permission slip be signed at that time.

If you wish for your student to participate in the five-mile radius field trips, please sign below and return this form to your student’s homeroom teacher.

Student’s Name _____ Grade _____

I give permission for the above student to participate in any field trips that are planned and chaperoned by the East Central Elementary school staff within a radius of five miles of the school during the 2022-2023 school year.
